

...ranging from fire attack, search and rescue, forcible entry, salvage operations and fire behavior.

Over the course of the training, 380 training hours were logged by members of the fire department.

Local Students Selected For International Tour

The New England Colonials International Basketball Club has selected Steven Parr and Conor Wynne of Hebron for the team's 2009 Caledonian Tour to Scotland.

Steve, Conor, and their New England teammates will visit and play in Edinburgh, Aberdeen, Falkirk and Glasgow over the April school vacation.

Steve, a ninth-grader and member of the basketball team at East Catholic High School in Manchester, is the son of Joann and Michael Parr. Conor, a ninth-grader and member of the basketball team at RHAM High School, is the son of John and Michelle Wynne.

As on all Colonials' tours, Steve, Conor and their teammates will be hosted by the families

of their basketball peers. During their time in Scotland, the Colonials will play the Scotland U15 national team in Glasgow.

Colonials' teams do not hold tryouts and rely on references and an assessment of the applicant's commitment to school, community and basketball. Founded in 1980, the New England Colonials International Basketball Club is a nonprofit, all-volunteer program. For more information, contact the New England Colonials at 508-668-1935 or by e-mail at necolonials@aol.com. Players and parents may learn more about the program online at the team's website, www.NewEnglandColonials.net.
